Take Action

Modernize California Law to Expand Lifesaving Spay/Neuter Services

Urge your lawmaker to support A.B. 2010, which will modernize California law and expand access for underserved and rural areas to high-quality, high-volume spay/neuter services through Mobile Animal Sterilization Hospitals (M.A.S.H).

Good News for Animals

1,500 Beagles Rescued from Dog Breeding and Research Facility

The testing facility, which also bred and sold beagles to laboratories for animal testing, had agreed to voluntarily relinquish its state license in order to avoid criminal prosecution for animal cruelty, but planned to sell the dogs to other testing facilities. Two

animal welfare organizations negotiated a confidential agreement to purchase the 1,500 dogs and transfer them to rescue groups across the country so they can go to loving homes.
